Invitation to the Inter-Parliamentary Conference on Agriculture - Dublin Castle, 26-27 July 2026

10 June 2026

Dear Colleagues

I am delighted to invite you to the Inter-Parliamentary Conference on **“Securing the future of farming, from policy to practice. Generational Renewal, Women in Agriculture and Food Security”** which will be hosted in Dublin, Ireland as part of the parliamentary dimension of Ireland’s Presidency of the Council of the European Union in the second half of 2026.

Please note that up to four Members of the relevant committee(s) from each national Parliament and two accompanying officials are invited to participate. In case of a national Parliament consisting of two Chambers, the number of Members of its delegations shall be allocated according to their internal agreement.

This conference presents us with an opportunity to come together at this crucial junction in our collective history to discuss the European Union’s shared concerns around generational renewal and joint interests in woman in agriculture, as well as guaranteeing food security. The agenda will focus on an overview of policies regarding generational renewal along with women in farming, across Europe, examples of best practice in countries with successful policies in regard to generational renewal /encouraging women into farming and facilitate a discussion on lived experience – how generational renewal and involvement of women in agriculture is vital to EU food security.

Please find attached, the draft programme and practical information to assist you with your preparations for our meeting in Dublin.

We look forward to seeing you there.

Yours sincerely,

*Communication in relation to this invitation should be directed to IPCAgriculture2026@oireachtas.ie
Correspondence in the Irish language is welcome.*

Aindrias Moynihan T.D.
Cathaoirleach of the Committee on Agriculture and Food
